Dear Dr. Suarez

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting June 7-8, 2023, reviewed the Midterm Report and related evidentiary materials submitted by Orange Coast College. The purpose of the review was to determine the degree to which the institution has made progress in implementing its plans and improving outcomes related to student achievement. After consideration of the Report, the Commission has determined that the institution's progress is appropriate and has accepted the Report. The Commission requires that you disseminate the Midterm Report and this letter to all campus constituencies and the public by placing copies on the College website within seven business days of your receipt.
