Dear Dr. Suarez

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting June 7-8, 2023, reviewed the Midterm Report and related evidentiary materials submitted by Orange Coast College. The purpose of the review was to determine the degree to which the institution has made progress in implementing its plans and improving outcomes relative to its goals and has accepted the findings of the review. The Commission requires that you disseminate the Midterm Report and this letter to all your constituencies and the public by placing copies in the College's website.

On behalf of the Commission, we wish to acknowledge the College's commitment to improvement as it continues its efforts in the best interests of its students. We look forward to working with the College as it prepares for its next comprehensive review, which will begin with the Team I SER Review in the fall term of 2025 and conclude with a Focused Site Visit in the spring term of 2026.

Sincerely,

Mac Powell, MBA, Ph.D.
