

STUDENT QUICK START GUIDE

LockDown Browser and Respondus Monitor

▶ CANVAS (Classic Quizzes)

WHAT IS RESPONDUS LOCKDOWN BROWSER?

LockDown Browser is a locked browser for use with quizzes in Canvas. It prevents you from printing, copying, going to another URL, or accessing other applications during an assessment. If a Canvas quiz requires that LockDown Browser be used, you will not be able to take the quiz with a standard web browser.

LockDown Browser should only be used for taking Canvas quizzes. It should not be used in other areas of Canvas.

INSTALLING LOCKDOWN BROWSER

If LockDown Browser has already been installed, skip to the next section. If not, LockDown Browser must be installed to each computer being used for a test.

- > Your institution or instructor will provide the link for downloading and installing LockDown Browser. This URL is unique to your institution.
- > Follow the onscreen instructions to complete the install.
