someone really liked them, we could make modifications. We will comply with regulations together in the Curriculum Committee. We can make adjustments in the fall to have all documents in line and well reported.

My concern is not the ERT. The one that is a concern is the asynchronous course, the PTO. That is the one that we have been using for a long time and has been upgraded to include all the state and federal standards.

That is the course that I think needs a new start. I think that course needs to be accommodated so that it is no longer taught in the same way that it's been taught exclusively.

We
