

District Consultation Council (DCC): While attending DCC, President Sachs stated that Secretary Kennedy received praise from Vice Chancellor Serban on Secretary Kennedy's work on the DCC BOT Policy subcommittee as it relates to Board and Administrative policies; he thanked her for her continuing work. President Sachs noted that the nepotism policy will be coming back for review.

Student Housing: The groundbreaking for the new student housing is on October 4.

AB 705: The AB 705 college forum was well attended and there was a broad spectrum of representatives there.

Part-Time Senator Opening: We have a part-time senator opening, please share with your departments.

Faculty Opportunities: President Sachs asked the senators to review the Faculty Opportunities on the second page of the agenda. He asked the group to consider volunteering and to share the opportunities with their departments and colleagues. Senate Administrative Secretary Goetz will be sending out an email announcement of the opportunities this week and will be updating the Senate Opportunities webpage.

Senate Website:

new levels of skill sets. The BSI funds also assisted in the writing of noncredit curriculum that will replace the credit courses that will go away when AB 500 is implemented.

- President Loren Sachs and Radiology Technology Professor stated that their programs in CHS needed ways to conceptualize and teach math and writing concepts to students in various CHS programs. Their funding and work with BSI allowed them to do so.

work together to discuss the differing interpretations

Another senator expressed that we need to obtain the students' advice on how they would like this to be communicated and advised to them, because student
