above the level of Intermediate Algebra as demonstrated by prior coursework, or by demonstrating competency that is comparable through the completion of a college level math course that has as a prerequisite Intermediate Algebra: Psychology A160 or Math A100 or higher, with the exception of Math A220.

The main change is the removal of the placement criteria and the ability to use prior coursework to meet the requirement. All transfer students are required to take a college level math course, and some students who earn a local degree may choose a college level math course to fulfill the requirements of area A2.

## 11. Adjournment

President Sachs ~~ad~~ijrned the meeting at 12:31 p.m.

---
