Proposed OCC Senate Approved Policy Changes in Yellow

Title 5 Section 55046

In accordance with BP4240, the purpose of this procedure is to disregard past substandard academic performance of students when such work is not reflective of their current demonstrated ability. It is based on the recognition that due to unusual circumstances, or circumstances beyond the students' control, the past substandard work will negatively affect their academic standing and unnecessarily prolong the rate at which they complete their current objectives. Academic renewal is intended to facilitate graduation from a college in the District and/or enable qualified students to transfer to a four-year college or university.
